

# Full Time Study and Correspondence

**We offer a range of training options to suit your requirements:**

**Full time study:** (Monday to Wednesday 9am – 4.30pm)

Complete your diploma in 11 months plus holidays. There are four intakes a year – February, April, July and September (following the school terms) We highly recommend doing our Diploma of Beauty Therapy (for better employment opportunities) full time, but at times the Cert IV may be all that is required:

**Part Time study:**

We offer two options:

1. 2 nights a week, Monday and Tuesday 5.30pm – 8.30pm and 1 day a week for practical work on a Friday 9am – 4.00pm. Complete your diploma in 16 months.
2. Night time only plus a couple of block practical training sessions – 2 nights per week, Monday and Tuesday as above. Complete your diploma in 22 months. This is perfect if you work full time.

There are four intakes a year – February, April, July and September. This can be done over a shorter time if you decide to take on some correspondence self paced theory, practical log work and study at home.

**Correspondence:**

Self paced theory home based study, with intensive 2 – 4 day workshops with our qualified teachers throughout the year. Start study when it suits you. Study must be completed within 2 years preferably. You will also be able to attend our on-line training with our new live broadcast – ask us for more information.

**Vet High School Certificate Studies:**

VET programs for high school students wishing to complete Certificate level training towards their diploma while still studying towards their high school certificate.

If you are studying Cert IV or Diploma we recommend you follow the Part time program as above, which allows you to be at school completed your high school certificate as well as do our Part time studies at our Academy on a Monday and Tuesday night 5.30 – 8.30pm and have a full day Friday to participate at the Academy in our Practical days.

If you are studying the Cert II or Cert III or Dual Certificate you will study at the Academy on a Thursday in place of school.

This can be arranged through your school and our Academy.

High school students are also now eligible for Traineeships to find out more, please call us on 38811977.

## Upskilling and Spa Training:

For professional therapists who wish to upgrade their skills. See our full list of certificate courses and ask us about our EarthSentials Training Calendar for the year, or visit us at [www.earthessentials.com.au](http://www.earthessentials.com.au) – and click on Academy or EarthSentials and look for the events in the navigation bar on the left hand side. Bookings with us can also be made on line. We specialise in Spa training, including training you in new treatments and cosmetic chemistry which is two of the most sort after and growth industries currently penetrating the beauty industry. Don't be left behind – get up-skilled today. EarthSentials Beauty and Spa Training Academy now delivers Nationally accredited SPA TRAINING (see further information in the prospectus)

We specialise in Natural and organic Advanced Skin Diagnosis and Treatment Procedures that offer not only real solutions to skin problems, as well as thorough training in corrective skin treatments rather than 'puff and fluff' facials. Skin integrity and health as well as understanding the inter-connection between the skin, the body and treatments are an important part of our curriculum. We also pride our self in our Business training and entrepreneurial training that is made available to all our students and will give them first hand knowledge and ideas of how to access the market successfully.

A very important advantage of our training involves practical work experience in our student clinic which starts early in our course to ensure all students when qualified will feel confident in working on clients. This gives our students full experience in every aspect of the beauty and spa industry as well as in retail, salon and spa management.

Our outcome for all students will be in job placement during and following their year with us as we build a data base of therapists who will be sought after in the industry.

Student ID card – which gives you inclusion to industry trade expo's, and allows you to purchase products and supplies at student wholesale prices.

After reading the course guide, prospective students are advised to contact our Course Advisor by Phone: 07 388 1 1977 or Email: [info@earthsentials.com](mailto:info@earthsentials.com)

A \$250 security/processing fee is required (unless otherwise stipulated) when you decide that you wish to study at EarthSentials Beauty and Spa Training Academy. Once your interview process has occurred and you have been accepted to attend the EarthSentials Beauty and Spa Training Academy you will then pay the balance of the deposit within 1 month, at least 1 month before commencement of the course. If you cancel 2 weeks prior to the commencement of the course, then all monies paid, except the security/processing fee of \$250 will be refunded.
