SIB50210 Diploma of Salon Management

This qualification is for the individuals who are competent in managing the overall operation of a business involved in services and sales delivery in personal services environments, including, hairdressing and beauty salons and spas. A salon manager at this level may focus on building the business, creating and establishing a personal services culture, leading and developing a team, developing and implementing marketing activities, and ensuring all occupational health and safety requirements are maintained.

This qualification is designed to reflect the role of managers or owner managers who work relatively autonomously and coordinate and supervise others. It involves the self-directed application of knowledge and skills, and the provision of leadership and support to colleagues through the development and management of service delivery, and sales delivery concurrent with ongoing human resources development
